

In Collaboration with:

- ✦ El Camino Hospital
- ✦ John Muir Medical Centers – Concord and Walnut Creek campuses
- ✦ Kaiser Permanente –Northern California
- ✦ Laguna Honda Hospital
- ✦ Lucile Salter Packard Children’s Hospital
- ✦ Mills Peninsula Health Services
- ✦ Oregon Health & Science University, Hospitals & Clinics
- ✦ Santa Clara Valley Medical Center
- ✦ San Francisco General Hospital
- ✦ San Francisco State University, School of Nursing
- ✦ San Jose State University, School of Nursing
- ✦ Stanford Hospital and Clinics
- ✦ UCSF Medical Center
- ✦ UCSF Children’s Hospital
- ✦ UCSF School of Nursing
- ✦ VA Medical Center, San Francisco
- ✦ VA Palo Alto Health Care System

CALL FOR ABSTRACTS

11th Annual

Research in Action Day

PODIUMS & POSTERS 2009

October 30, 2009

Hold the date for October 29, 2009
Research Role Development Workshops

“Bridging Research & Practice”

11th Annual

Research Day

POSTERS & PODIUMS 2009

October 30, 2009

South San Francisco Conference Center,
255 So. Airport Blvd., South San Francisco

WE WANT TO HEAR FROM YOU!

Please send us an abstract if you
have completed

- Research Study
- Program Evaluation
- Research Utilization Activity
- Quality or Performance Improvement Project
- Quality Management Project
- Outcomes Measurement Project

Mark your calendar!

Your Abstract must be received before

5 PM JULY 10, 2009.

Guidelines for Abstracts

Research Abstracts

If you are submitting a research abstract, to be considered for a podium presentation, you must be sure to include:

1. Purpose, aims, hypotheses or research questions
2. Background and significance
3. Methods (design, sample characteristics, measures or instruments, procedures for data collection and data analysis)
4. Data findings, results and conclusions
5. Implications for practice and further study

Clinical or Creative Project Abstracts

(QI/QM/PI/TQM, Program Evaluation, Research Utilization, Outcomes Measurement):

1. Purpose and/or objectives of the project
2. Background and significance
3. Description of methods or procedure
4. Evidence of results or outcomes of the project and how you measured the results—we want to see your data!
Conclusions and evidence of impacts of the project on patient care quality, costs or outcomes.

Abstract Format:

- Abstract should be **500 words maximum**
- Microsoft Word format – submit electronically please.
- Use 12 point font, single-spaced, with 1 inch margins.
- CAPITALIZE TITLE.
- **DO NOT PLACE NAMES ON ABSTRACT PAGE.**
- Abstract Submission form (or other page separate from the Abstract Page) must **list all authors' names** and include:
 - The presenter's name** with an asterisk
 - Full corresponding author contact information.**
- Select Option of Oral Presentation or Poster Presentation*
Podium presentations require completed work & must include any relevant data. Posters include pilot projects or projects still in progress or completed. Topics may relate to conducting research as well as implementing its results.

We have available the document:

HOW TO WRITE A GOOD ABSTRACT: DOS, DON'TS, AND HELPFUL HINTS,
BY SUSAN SHAPIRO PHD, RN &
NANCY DONALDSON, RN, DNSC, FAAN.

If you would like a copy please email: dfrantz@stanfordmed.org
